# Fun for everyone

The Caddy is more versatile than ever before. Ideal for everyday use. Also perfect for sport and leisure. For work and for holidays. For city shopping trips and countryside excursions. And for a thousand other occasions.

Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

# Let the adventure begin

Open the two sliding doors and step inside for the adventure of a lifetime. The new Caddy is the perfect companion, adapting effortlessly to your daily life. The two-part bench seat in the second row can be easily folded down and double-folded, or even removed completely. In addition, the bench and the single seat can also be removed independently of each other. This leaves plenty of space for bulky loads or even small items of furniture. You can also add a towbar<sup>1</sup> to free up more space at the rear.

# Flexible as always. More innovative than ever

The most popular vehicle in its class – now completely revamped, with improvements in many areas.

**Perfect for everyday use**  
The Caddy comes as a short wheelbase with five seats and optional seven seat version, as well as the Caddy Maxi with seven seats. Both feature easily removable folding seats and easy access sliding rear passenger doors.

**Premium driving comfort**  
Comfortable ergoComfort seats<sup>2</sup> with electric 4-way lumbar support combine with a spacious interior to make every journey a comfortable one.

**Ultra-digital and closely integrated**  
High-resolution Digital Cockpit<sup>2</sup>, new infotainment systems with touch-screens up to 10 inches<sup>2</sup>, shortcuts for main infotainment functions and Volkswagen We Connect preparation<sup>3</sup>.

**Partly automated driving**  
The latest generation of driver assistance systems, including Adaptive Cruise Control (ACC)<sup>2, 4, 5</sup> and Lane Assist.

**Modern design**  
A striking new front end design with honeycomb front air intake, dynamic, clear lines, and an array of improvements to help achieve better efficiency.

**Lower emissions**  
Two SCR catalytic converters, arranged in series, and multiple AdBlue<sup>®</sup> injection significantly reduce NOx emissions from the modern generation of engines to meet the latest emission standard<sup>6</sup>.

Experience digital progress first-hand in the Caddy. The touch-sensitive displays recognise the same gestures as your smartphone. You can control navigation<sup>1</sup> and multimedia functions, the air conditioning and the mobile online services that are available from Volkswagen We Connect<sup>2</sup>.

Enjoy a wealth of extras by supplementing the 10 inch touch-screen infotainment display of the Discover Pro navigation system<sup>1</sup> with a Digital Cockpit<sup>1</sup>. The high-resolution 10.25 inch digital instrument cluster screen is perfect for displaying a 3D view of the navigation map, and also lets you view the current driving data or your smartphone media library. Use the buttons on the multifunction steering wheel to scroll conveniently through the playlist, select your next mobile call via contacts, or activate individual driver assistance systems.

If your hands are occupied, you can now talk to your Caddy. The clever Voice control system allows you to use voice commands to answer phone calls, select a radio station or set a navigation destination. Even the 2-zone Climate control air conditioning system<sup>1</sup> listens to your commands.

## We Connect<sup>1</sup>

### BREAKDOWN CALL

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

### PARKING POSITION

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

### SERVICE SCHEDULING

You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.

### EMERGENCY CALL SERVICE

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

## We Connect Plus<sup>1, 2</sup>

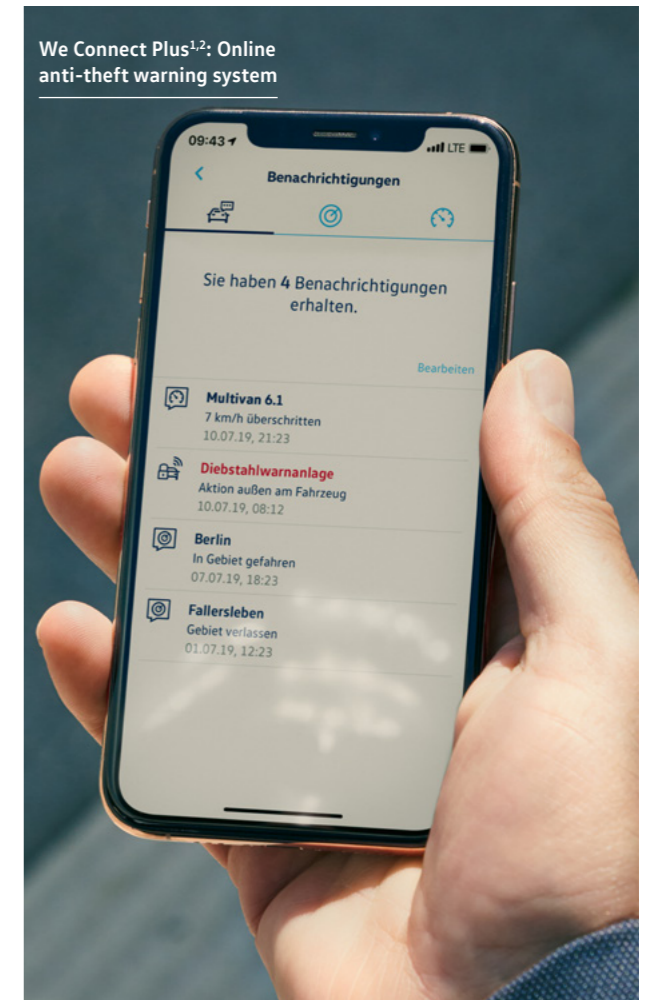

### LOCK & UNLOCK

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

### ONLINE ANTI-THEFT ALARM<sup>3</sup>

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

<sup>1</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. # Helping you to be a better driver

## Adaptive Cruise Control (ACC).<sup>1,2</sup>

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

## Front Assist with Pedestrian Monitoring and City Emergency Braking System.<sup>1</sup>

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations.

## Parking sensors with Park Assist.<sup>1,2</sup>

As part of Park Assist, Parking sensors monitor the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

## Emergency Assist.<sup>1</sup>

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre.

## Traffic Sign Recognition.<sup>1</sup>

Detects road signs and informs the driver.

<sup>1</sup> Within system thresholds. <sup>2</sup> Optional at extra cost.

# Everyday power

**Engines.** The Caddy's have a choice of petrol and diesel engines, together with the option of manual or DSG automatic gearboxes, that allows you to choose the engine that best suits your needs.

**Dual-clutch gearbox (DSG).** The Caddy can be fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using paddle switches on the multifunction steering wheel.

**Improved emission control.** Innovative AdBlue® twin dosing significantly reduces the NO<sub>x</sub> emissions from TDI engines compared to the previous model. This is achieved through the selective double injection of AdBlue® upstream of the two SCR catalytic converters, which are arranged in series.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

# The Caddy

Children rarely sit still. Doors open, doors closed, lights on, lights off, music up, music down: The Caddy comes along for the ride! For example, the two single seats<sup>1</sup> in the third row can be removed, either together or separately, to make way for bulky items. Safety is and remains our priority. Which is why this hard-wearing all-rounder comes with curtain airbags for the outer seats in all rows as standard. Extra comfort comes courtesy of Front Assist with Pedestrian Monitoring and City Emergency Braking System<sup>2</sup> and Lane Assist<sup>2,3</sup>, which performs counter steering assistance to warn the driver if the vehicle is straying out of its chosen lane.

01 Foldable, double-folding and removable seats  
02 Electrically adjustable and heated exterior mirrors

<sup>1</sup> Standard equipment in the new Maxi and the new Life Maxi. Optional at extra cost in the Caddy and Caddy Life SWB models. <sup>2</sup> Within the system thresholds. <sup>3</sup> The driver must be prepared at all times to override the assist systems and is not released from their responsibility to drive with the utmost care.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

# In tune with nature

## The Caddy Life. Comfort in action

Recreation requires room. Outdoor enthusiasts are especially aware of this. It's pretty tricky to fit a dog carrier, paragliders and mountain bikes in small luggage compartments. And you can forget about collapsible boats! If you need some leftover space for comfort, then the new Life is the vehicle for you. It is the perfect way to explore the natural world at your leisure.

01

The Life has space for everything you might need to enjoy a day trip. Double-fold the rear seat bench forwards to create a practical loading bay. There's more than enough room for a collapsible canoe, two paddles and a large picnic basket. And after an action-packed day on the water you can enjoy a relaxed journey home.

Volkswagen Commercial Vehicles is currently working on further developing the Caddy. Due to the current supply situation with semiconductors and the existing order bank, we cannot deliver Caddy models ordered now before the second quarter of 2024. According to our current plans, we will already be producing the further developed version of the Caddy at this time. As a result, we will not be able to deliver the vehicle illustrated in the configurator, or described in the contract at the time of order. The vehicle supplied will be the further developed model of the Caddy instead.

The WLTP (Worldwide Harmonised Light Vehicle Test Procedure) consumption and range of the new Caddy are not yet available and may deviate from the currently stated value for the existing model. Please contact your Van Centre for more information as and when it becomes available.

Volkswagen Commercial Vehicles is currently working on further developing the Caddy. Due to the current supply situation with semiconductors and the existing order bank, we cannot deliver Caddy models ordered now before the second quarter of 2024. According to our current plans, we will already be producing the further developed version of the Caddy at this time. As a result, we will not be able to deliver the vehicle illustrated in the configurator, or described in the contract at the time of order. The vehicle supplied will be the further developed model of the Caddy instead.

The WLTP (Worldwide Harmonised Light Vehicle Test Procedure) consumption and range of the new Caddy are not yet available and may deviate from the currently stated value for the existing model. Please contact your Van Centre for more information as and when it becomes available.

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO<sub>2</sub> emissions and driving performance values.

2 Unladen weight includes approximately 90% fuel load and 75kg for driver.

3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Please contact your local Volkswagen Van Centre for more details.

Roof load limit: 100kg. Trailer nose weight: 80kg.

2 From 1 April 2021, the official CO<sub>2</sub> emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

# Finance, insurance, servicing and warranties

## Finance<sup>1</sup> and insurance.<sup>3</sup>

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you insurance products with lots of features and benefits included as standard.

## A choice of packages.<sup>2</sup>

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

## Volkswagen Car Insurance.<sup>3</sup>

### Complimentary Volkswagen Drive Away Insurance

Every new and Approved Used Volkswagen comes with five days' complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your Volkswagen Van Centre for more details. *Subject to eligibility.*

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

### Volkswagen Car Insurance

Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you'd expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost. Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts\*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications.

*\*Excludes windscreen claims.*

To get a quote or find out more, visit [www.insurewithvolkswagen.co.uk/car-insurance](http://www.insurewithvolkswagen.co.uk/car-insurance)

Alternatively, call us on **0345 877 6464**.

We're available Monday to Friday 8am-8pm, and Saturday 9am-5pm.

## Servicing and support.

We're here to keep your business moving, with our range of three award-winning<sup>4</sup> servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: [www.volkswagen-vans.co.uk/aftersales](http://www.volkswagen-vans.co.uk/aftersales)

## Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

## Service Plans.<sup>5</sup>

Designed to keep you on the road, you can plan ahead and cover your next two services with a Service Plan. With the same pricing across all eligible models, we've made paying for your first two services as easy as possible with the option to pay upfront or spread the cost over 24 months.

## Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

## Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

## Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

## Warranties.

You can count on us long after you purchase your Caddy, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caddy is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: [www.volkswagen-vans.co.uk/aftersales](http://www.volkswagen-vans.co.uk/aftersales).

## Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: [www.volkswagencvwarranty.co.uk](http://www.volkswagencvwarranty.co.uk) where you'll also be able to obtain a quote and purchase a Factory extended warranty.

## Paint and body warranty.

Your Caddy's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

## The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.
